

CREMAIN RULES

Dutch Mills Cemetery Association, Inc.

June 1, 2017

The following requirements pertain to burial of cremains:

1. Burial of cremains by family members is permitted. When cremains are buried the Cemetery must be notified in writing of the name, date of birth, date of death and the plot location.
2. A maximum number of three burials per plot are permitted, one casketed plus two cremains, or three cremains. Burial of cremains on top of a casketed family member is permitted. Urn containers must be buried six inches below ground level to facilitate mowing.
3. One plot purchase at \$250 allows one burial, either casketed or cremains. Up to two additional cremains may be buried on the same plot at a charge of \$100 per burial.
4. All burials in a single plot shall be marked with a single permanent headstone containing the names, birth and death dates of all persons buried in the plot.
5. Scattering of cremains ashes is not permitted on Cemetery property.
