

# DIRECTIONS TO Cemetery

Take 540 south from Springdale to Winslow exit. Exit at Winslow off ramp and turn left at stop sign. You will go back across 540. Continue going east until you come to Hwy 71. At Hwy 71 turn right. You will start up the mountain continue on Hwy 71. You will pass the Winslow school on the right. 5 or 6 miles on south past the Winslow school you will be on top of the mountain. Just as you start over the mountain there is an old craft shop on the right with a big tower that you can see on the right that has stairs going to the top of the tower. After you pass this tower you will go approximately 2 miles and on your left side you will see a native stone pillar and a road sign that says Winfrey valley rd. *Balloons TO mark Turnoff* you will turn left here on Winfrey valley rd. there is also a big wide dirt parking area at this Winfrey valley road. After you turn left. Off of Hwy 71 you will be on a dirt road. You will go down this dirt road several miles and at the bottom you will see a road sign that says Lake Shepard springs road. After you pass this road you will see a cemetery. This is Pense cemetery. Continue on the road pass the cemetery and you will eventually cross two little bridges and come to a tee in the road. Here at the tee in the road there will be a sign that says sunset to the left or bidville to the right. There is also a church here. You will turn left at the tee in the road past the church. You will stay on this road going to sunset. You will pass a house on the right. After you pass this house on the right you will keep going until you see a dirt road on the right. That is named Kenney (red street sign). You will turn right on Kenney. Stay on this main rd. which will get pretty rough driving down it. You will eventually see a big field on the right down below the road. When you get to this point keep going straight until you come to Kenney cemetery.
