Preface

The **Rauch Family History** contained in this book reaches back to our grandparents **Wendel Rauch and Elizabeth** [maiden name is unknown]. It traces through the pages of time to cover over sixteen generations. Wendel Rauch and Elizabeth are our **10th Great Grandparents**.

Wendel Rauch was born in the 1500's in **Odernheim, Rheinland, Pfalz, Germany**. He died 5 Mar 1603/04 and his wife Elizabeth, died in 1622 in Odernheim, Rheinland, Pfalz, Germany.

Our lineage extends from **Wendel Rauch & Elizabeth** through these ancestors: **Peter Rauch and Barbara Schwind** [9th Great Grandparents]; **Reichard Rauch and Martha Helm** [8th Great Grandparents]; **Johann Hans Peter Rauch and Maria Catharina Gollar (Kohler)** [7th Great Grandparents]; **Johann (Hans) Nickel Rauch and Christina Katharina Muehlberger** [6th Great Grandparents]; **Johan Georg Rauch and Maria Margaretha Schlarp** [5th Great Grandparents]; [Johan Georg Rauch was the emigrant of our Rauch Family]; **Heinrich Jacob Rauch and Magdalena Lahr** [4th Great Grandparents]; **Jacob Rauch and Gertraut Sicher** [3rd Great Grandparents]; **Solomon Rauch and Susannah** [2nd Great Grandparents]; **Emanuel Harvey Rauch and Sarah Catherine Talbot** [1st Great Grandparents]; **John William Rauch and Winifred "Winnie" Lou Snodgrass** [Grandparents].

Johan Georg Rauch (Our Immigrant and 5th great grandfather) was born 1 May 1695 in the beautiful little town of Odernheim, Rheinland, Pfalz, Germany. Johan Georg Rauch married on 23 Apr 1724 in Odernheim, Rheinland, Pfalz, Germany, Maria Margretha Schlarp. Maria Margretha Schlarp our 5th Great Grandmother was born about 1703 in Odernheim, Rheinland, Pfalz, Germany. Odernheim was part of the Palatine region of Germany.

The 5 Children of Johan Georg Rauch and Maria Margretha Schlarp were as follows:

Child 1. Philip Leonhardt Rauch was born 9 Aug 1725 in Odernheim, Rheinland, Pfalz, Germany.

Child 2. Maria Margretha Rauch was born 2 Jul 1728 in Odernheim, Rheinland, Pfalz, Germany.

Child 3. Heinrich Jacob "Henry" Rauch was born 29 Aug 1731 in Odernheim, Rheinland, Pfalz, Germany and died 5 Sep 1783 in Hereford, Berks, Pennsylvania. He married Magdalena H. Lahr.

Child 4. Johann Andreas Rauch was born 20 June 1734 in Odernheim, Rheinland, Pfalz, Germany.

Child 5. Maria Barbara Rauch was born 27 Oct 1737 in Odernheim, Rheinland, Pfalz, Germany.

German Lutheran research information indicates that Johan Georg Rauch and his family immigrated to the United States of America aboard the ship "**Robert & Alice**". According to current records the ship "Robert & Alice", was home based in Dublin, Ireland. Captain Walter Goodman was the ship's Commander. According to the records the ship "Robert & Alice" sailed from Rotterdam, Holland through Cowes, England, and arrived in Philadelphia, Pennsylvania on 3 Dec 1740. Johan Georg Rauch qualified on 11 Sep 1738. There were 185 Palatine passengers imported aboard the ship.

While researching the ancestry of our linking Rauch ancestor, it became apparent that there were a few variations in the spelling of the surname. The Rauch surname is sometimes spelled Rouch,

Rough, and less commonly Raugh. Raugh, Rau and even the Rough surnames were the German equivalent of the English Row or Rowe. For this reason we may have over looked some of the Rauch family ancestors. Henry Rauch went by Heinrich Rauch on most of his important Civil and Church records. Rauch is the correct German spelling of the surname.

The Rauch Family Crest from Germany.

There are several "misrepresentations" of the RAUCH surname scattered throughout the historical record, such as; RAUTH, RAU, RAUSH, RAUSCH, RAUG, RUCH, RAUK, RAUCK and SMOAK, even when it is obvious that Rauch was the intended name.

When writing a genealogy book on the Rauch family line it is helpful to have knowledge of German naming customs. We have included in this book a section on German naming customs that will be helpful to the reader.

The English equivalent of the German "Rauch" is smoke. Evelyn Shaver who compiled the "Peter and Anna (Bowen) Rauch Lineage" explains: "The surname Rauch appears to be occupational and characteristic in origin, and is believed to be associated with the German's meaning, a person who smokes meat and a hairy man." It is only fitting that the Rauch Coat of Arms as described by the "Rietstafarmorial General" has a Blue censer on the Arms or shield with plumes of fire and smoke billowing out, and a blue censer as the Crest with arrows of fire surrounding it. It is not surprising, to note that one of the most common occupations, besides the main stay of farming, among the descendants of Henry Rauch was that of

Preface

a Blacksmith. Two of Henry's sons, George and Jacob, were listed as Blacksmiths throughout their lives and Philip and Henry Jr., married into the Marsteller family, many of whom were renowned as Blacksmiths.

Whatever the outcome of future research, our ancestors were an amalgamation of hardy people who migrated across the Atlantic to the American shores. Here the pattern changed and descendants scattered to the four winds. Today, descendants of **Wendel Rauch** live in virtually every state of the Union and some foreign countries.

Research and Notes

History is fact and speculation. The two should be kept apart, but some time facts cannot be discovered without speculation. Sometimes we have speculated, but we have tried to distinguish between speculation and fact. Many sources of information used in our research are the result of hours of research at home, on the Internet and in libraries across the United States. Many relatives, friends and total strangers have also contributed.

This is your history. Where it ends depends upon you. Please begin your own family history. You should record births, deaths, marriages and other pertinent information and help correct any information that might not be correct in this book. Whether you use this book or some other method does not matter. What is important is that you should start such a history. Do it now! Too much history has been lost already.

Dedication and Thanks

Donald Loyd Norwood and William Hardy Rauch wish to dedicate and to thank all those who provided the vast amounts of the information contained in our book. We would also like to dedicate this book to the many **Rauch Ancestors and Cousins** who made their contributions through the centuries. Without them there would be no Rauch History.

Ahnentafel & Register Numbering Examples.

Our book is laid out and written using the Church of Jesus Christ of Latter Day Saints Personal Ancestral File Software (PAF). In various sections of this book we have written in Ahnentafel and Register Form about the ancestors of Wendel Rauch. We have provided a brief example of how the Ahnentafel and Registry system works for those who are not familiar with it.

AHNENTAFEL NUMBERING EXAMPLE.

The following example shows the most common numbering conventions which can appear in the Ahnentafel (**Ancestor**) report. Your Ahnentafel may print some or all of these numbers and symbols depending upon which report options you select.

Ahnentafel Example Only:
