Also oral history also said that Lee had a brother Arnold that left at age 14. They never herd of him again but found

his name carved on the railing of a Miss. River boat. Could this be the James A. in the 1860 censuses who was 14 at the time???

Lee Walker also named one son William Arnold Arnie Walker. Could this name have been after his Brother William the preacher and Arnold his father and missing brother James A.??

Lee also named one daughter Emma. Could this be after his sister Emma who was two years younger than him??
