Remember Me

When the sun shines upon the dew covered grasses,
Remember me, my smiles, and gentle, loving
caresses.

When the rain falls from the darkened clouded sky,
Remember me and the tears I did cry.

When lightening flashes through the dark nights,
Remember me, and how I searched for what was
always right.

When thunder rolls and rumbles through the air,
remember me, and I will always be there.

When you see a rainbow arcing across the sky,
Remember me, and please do not cry.

When you see wondrous things such as waterfalls,
Remember me and how I always gave my all.

When you hear a child laugh in joy and glee,
Always, always remember me.

When you see someone that struggles to be
recognized,
Remember me and how hard I always tried.

When you see two lovers walking hand in hand,
Remember me, as you travel across this land.

When you see a moon shining in the sky so bright,
Remember me, and my love for all that is right.

When you see the wonderful and fascinating things
this world has to hold,
Remember me, as you grow old.

For all I have asked is remembrance and love,
For this is all I have ever dreamed of.

When you realize, what could have been,
What could have happened back then...
Just recall my words for that is how I wish it to
be...

Always, Always...remember me..

A FALLEN LIMB

A limb has fallen from the family tree.

I keep hearing a voice that says

"grieve not for me".

Remember the best times,

the laughter, the song.

The good life I lived while I was strong.

Continue my heritage. I'm counting on you.

Keep smiling and surely the

sun will shine through.

My mind is at ease, my soul is at rest.

Remembering all, how I truly was blessed.

Continue traditions, no matter how small.

Go on with your life, don't worry about falls.

I miss you all dearly, so keep up your chins.

Until the day comes we are together again.
