MOTHER LOVE

God surely knew the world would need
A gentle loving touch,
When He created mother love
That warms our hearts so much.

He must have known that children
Would need a guiding hand,
Someone who'd always be there
To care and understand.

God must have known our hearts would need
A special kind of cheer
When He endowed a mother's face
With smiles that would endear.

Of all the gifts that God does send
From His heavenly realm above,
There is none that is more precious
Than that of mothers love.
