Celebrating

THE LIFE AND MEMORY OF

Edna Mae Davis

August 12, 1931 - March 3, 2023

MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endure.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.

MEMORIALS

Farmington Public Library

"I am of the opinion that my life belongs to the whole community and as long as I live, it is my privilege to do for it whatever

I can. I want to be thoroughly used up when I die, for the harder I work, the more I love. I rejoice in life for its own sake. Life

is no brief candle for me. It is a sort of splendid torch which I have got to hold up for the moment and I want to make it burn

as brightly as possible before handing it on to future generations."
