The Navy Hymn

Eternal Father, strong to save,
Whose arm hath bound the restless
wave,
Who bidd'st the mighty ocean deep,
Its own appointed limits keep.

Oh hear us when we cry to Thee,
For those in peril on the sea! Amen.

Eternal Father, lend Thy grace To
those with wings who fly thro' space,
Thro wind and storm, thro' sun and
rain,
Oh bring them safely home again.

Oh Father, hear an humble prayer,
For those in peril in the air! Amen.

Oh Trinity of love and pow'r,
Our brethren shield in danger's hour,
From rock and tempest, fire and fog,
Protect them where so e'er they go.

Thus evermore shall rise to Thee

TWENTY THIRD PSALM

The LORD is my Shepherd;
I shall not want.
He maketh me to lie down in
green pastures:
He leadeth me beside
the still waters.

He restoreth my soul:
He leadeth me in the paths
of righteousness for
His name's sake.

Yea, though I walk through the
valley of the shadow of death,
I will fear no evil:
for Thou art with me:
Thy rod and Thy staff
they comfort me.

Thou preparest a table
before me in the presence
of mine enemies:
Thou anointest my head with oil;
my cup runneth over.

Surely goodness and
mercy shall follow me
all the days of my life:
and I will dwell in the house
of the LORD forever.

THE LORDS PRAYER

Our father, who art in heaven,
hallowed be thy name.
Thy kingdom come,
thy will be done on earth
as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass
against us.
And lead us not into temptation,
but deliver us from evil.
For thine is the kingdom, and the
power, and the glory,
forever. Amen.

FREEDOM

To all our Soldiers past and present, God Bless

Glory to the American Flag, long may she wave
So many have been covered with her when
they've gone to their grave

So many of us have taken for granted that our
freedom will always be

We tend to forget those who have kept that
right for you and for me

A Soldier will stand and fight all night to
keep us from harm

While some of us sit at home and refuse to
lift an arm

Some sit around and complain all day how
wrong this war must be

While a Soldier pushes that aside to continue
to fight for you and me

Some sit around and complain about the food
their going to eat

While a Soldier works straight through
hungry and weary on his feet

While you sit around and complain about what
you have or where you live

Remember what a Soldier somewhere for you is
about to give

A Soldier stands tall and proud and ready for
the fight

We must stand strong behind them through
their hard and arduous plight
