MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.

God's Garden

God looked around his garden and He
found an empty place,

He then looked down upon this earth, and
saw your tired face.

He put his arms around you and
lifted you to rest.

God's garden must be beautiful.
He always takes the best.

He knew that you were suffering;
He knew you were in pain.

He knew that you would never
get well on earth again.

He saw the road was getting rough and
the hills were hard to climb.

So he closed your weary eyelids, and
whispered, "Peace be thine".

It broke our hearts to lose you,
but you didn't go alone.

For part of us went with you, the day
God called you home.

I AM NOT THERE

Do not stand at my grave and weep,

I am not here, I do not sleep.

I am a thousand winds that blow,

I am the diamond glints on snow.

I am the sunlight on ripened grain,

I am the gentle autumn's rain.

When you awaken in the morning's

hush,

I am the swift uplifting rush.

Of quiet birds in circled flight,

I am the soft star that shines at night.

Do not stand at my grave and cry,

I am not there, I did not die.
