Bennie lost her own mother at the age of 8 and in recent days was looking forward to that heavenly reunion with her loved ones. She was a devoted wife, mother, sister, aunt, grandmother, and friend. Her married life with Bob began at a very young age in Oklahoma. They moved to California where she worked at the Owens Glass Company for a while. They moved to Texas from there and then Oklahoma and then to Arkansas. She was a full time mother and homemaker raising her four children along with raising poultry and cattle. Her home also welcomed nieces, nephews, and other family members over the years. After her children were grown she worked at Appletown in Lincoln then Universal in Prairie Grove. She was a talented seamstress, quilter, loved to crochet, and created beautiful hand embroidery work. She enjoyed raising dogs and birds and growing beautiful flowers. Bennie was an excellent cook and loved having all of her family together around the dinner table. She loved getting up early every morning and reading her Bible. Church attendance was very important to her. As a long time member of Liberty Baptist Church of Dutch Mills, she enjoyed her role on the phone committee sharing prayer requests and visiting with her friends. Her phone was a valuable treasure since she enjoyed visiting so much. She always ended calls with her family with "I Love You".

Celebrating

THE LIFE AND MEMORY OF

Bennie June Page

June 14, 1935 - September 12, 2021

MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.

A Letter From Heaven

When tomorrow starts without me,
And I'm not here to see.
If the sun should rise and find your eyes,
filled with tears for me.

I wish so much you wouldn't cry,
the way you did today.
While thinking of the many things,
we didn't get to say.

I know how much you love me,
As much as I love you.
And each time you think of me,
I know you'll miss me too.

When tomorrow starts without me,
don't think we're far apart.
For every time you think of me,
I'm right there in your heart.
