DO NOT STAND AND WEEP

Do not stand at my grave and weep.
I am not there.
I do not sleep.
I am a thousand winds
that swiftly blow.
I am the diamond glints
on newly fallen snow.
I am the sunlight
on ripened grain.
I am the soft and gentle
autumn's rain.
When you awaken
in the morning's hush,
I am the swift uplifting rush
of quiet birds in circling flight.
I am the soft starlight
that shines at night.
Do not stand at my
grave and weep.
I am not there.
I do not sleep.

Celebrating

THE LIFE AND MEMORY OF

Lorenzo Vest Sanchez

May 25, 1992 - August 13, 2022

WHEN THE DOOR FINALLY OPENS

The door finally opened and now I can go.
I've waited for this since the day I was born.
I'm going to miss you, and I hope you miss
me,
But please don't be sad. I'm where I should be.

Like a cocoon. I'm free now to fly.
I merely changed over I didn't die.
The body I used to live on Earth
was simply a loan, a vessel of birth.
I'll still be with you, in all that you do,
Loving and caring and watching for you.
I'll make myself known to you, from time to
time.
You'll think of me then and remember a time
When we were together or something I said,
You'll have to smile and then shake your
head.

That'll be me, right there by your side,
Nudging and hugging you with my arms open
wide.

Remember, I love you, and I always will.
I'll see you again, but it won't be until
the door finally opens and you can go
through...

I'll be the one that's waiting there for you.

Hey dad.

I guess I never checked up on you enough, haha but that's alright I had something to remind you of me you might know it. Remember me, know that I'm with you and you are with me so, remember me. I love you dad and I'm gonna miss you, you old man. I wish I could have spent more time with you but that's alright. I remember you said awhile ago that I would be changing your diapers and pushing you around in that wheel chair. At least we don't have to worry about you doing any stupid things anymore. I'm the real and new baby Sanchez. Thanks for everything you gave me and taught me dad. Well that's all I got to say to you I guess. Bye for now you old man.
