God saw you getting tired  
and a cure was not to be  
so He put his arms around you  
and whispered "Come with Me"  
With tearful eyes  
we watched you suffer  
and saw you fade away  
although we loved you dearly  
we could not make you stay  
A golden heart stopped beating  
hard working hands at rest  
God broke our hearts to prove  
He only takes the best.
