

## BASSHAMS LOSE HOME BY FIRE TUESDAY 26TH

---

The farm home of E. L. Bassham, 1 mile south, was totally destroyed by fire of unknown origin Tuesday afternoon. The smoke house was also lost. The meat and most of the household goods on the first floor were saved and the loss was partly covered by insurance. Luckily the other house on the place was vacant and is being used at present.

Everett Bassham was painfully injured when he fell from the housetop. He had taken the hose from the local chemical truck and gone to the top of the house. When the hose was turned on the pressure caused it to throw him from the roof. He landed on a barrel below and injured his back.
