How Beautiful Heaven Must Be

We read of a place that's called  
Heaven. It's made for the pure and the  
free.

These truths in God's Word He has  
given.

How beautiful Heaven must be. How  
beautiful Heaven must be.

Sweet home of the happy and free, Fair  
haven of rest for the weary.

How beautiful Heaven must be.

The angels so sweetly are singing, Up  
there by the beautiful sea.

Sweet chords from their gold harps are  
ringing.

How beautiful Heaven must be. How  
beautiful Heaven must be.

Sweet home of the happy and free, Fair  
haven of rest for the weary.

How beautiful Heaven must be.

**MISS ME**

When I come to the end of the road  
And the sun has set for me,  
I want no tears in a gloom-filled room.  
Why cry for a soul set free?

Miss me a little, but not too long,  
And not with your head bowed low;  
Remember the love that we once shared  
And miss me, but let me go!

For this is a journey we all must take  
And each must go alone,  
It is a part of the Master's plan,  
Just a step on the road to home.

When you are lonely and sick at heart,  
Just go to the friends we know;  
Bury your sorrow in doing good deeds  
And miss me, but let me go.
