## MISS ME

When I come to the end of the road  
And the sun has set for me,  
I want no tears in a gloom-filled room.  
Why cry for a soul set free?

Miss me a little, but not too long,  
And not with your head bowed low;  
Remember the love that we once  
shared  
And miss me, but let me go!

For this is a journey we all must take  
And each must go along,  
It is a part of the Master's plan,  
Just a step on the road to home.

When you are lonely and sick at heart,  
Just go to the friends we know;  
Bury your sorrow in doing good  
deeds  
And miss me, but let me go.

## MOTHER'S LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.
