MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

Hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endure.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.

MISS ME

When I come to the end of the road
And the sun has set for me,
I want no tears in a gloom-filled room.
Why cry for a soul set free?

Miss me a little, but not too long,
And not with your head bowed low;
Remember the love that we once
shared
And miss me, but let me go!

For this is a journey we all must take
And each must go alone,
It is a part of the Master's plan,
Just a step on the road to home.

When you are lonely and sick at heart,
Just go to the friends we know;
Bury your sorrow in doing good
deeds
And miss me, but let me go.
