## MISS ME

When I come to the end of the road  
And the sun has set for me,  
I want no tears in a gloom-filled room.  
Why cry for a soul set free?

Miss me a little, but not too long,  
And not with your head bowed low;  
Remember the love that we once shared  
And miss me, but let me go!

For this is a journey we all must take  
And each must go alone,  
It is a part of the Master's plan,  
Just a step on the road to home.

When you are lonely and sick at heart,  
Just go to the friends we know;  
Bury your sorrow in doing good deeds  
And miss me, but let me go.
