## Kathy - A sweet sweet soul

We will miss you so much, you will leave a void in our lives that none can fill.

You were such a caring person, holding your family very dear to you. You seemed to always be concerned about your family and those you knew.

You were a unique combination of a city girl and a country girl. With only a high school diploma you worked your way up the corporate ladder to a management position at Illionis Bell Telephone in Chicago, retiring after thirty years. You were still a sweet country girl and loved the simple things in life.

You loved brown beans, fried potatoes and cornbread, loved to garden and loved a picnic when it was warm. Cooking hamburgers and fried potatoes over an open fire.

Yet you could look like a fashion plate when you went out.

You never had any children but you loved all your nieces and nephews very much, always asking about them and interested in what was happening in their lives.

You can never be replaced in our lives but know you are smiling down on us and we'll think of you when we have a picnic or cook brown beans, fried potatoes and know that you are in the arms of Jesus and beloved family.
