## ALREADY HOME

There is an allotted time to each of us.  
There is an allotted time to roam;  
But, when that voice, I know so well,  
Calls me - I am already home.

In the twinkling of an eye, I'll be gone.  
The Word for that time will tell  
My reason for being here on the  
earth,  
It will then all be fulfilled.

I can see the lights of heaven;  
I can hear the sound of song;  
I feel that love that I know so well.  
They are all the signs of home.

## MOTHER'S LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.
