

Brian Wallace Carlton

Age 53, a lifelong resident of Lincoln, Arkansas, passed away peacefully on Sunday, October 12, 2025, at Washington Regional Medical Center in Fayetteville. He was born on March 31, 1972, in Fayetteville, the son of Russell Lex and Paulette (Gage) Carlton.

Brian was a proud graduate of Lincoln High School, where he shined as an active member of the Lincoln FFA. His leadership and dedication earned him the honor of Star State Agri Businessman of Arkansas, and he proudly represented Arkansas, as a delegate to the National FFA Convention.

For nearly five decades, Brian faithfully attended Bethany Holiness Church, where he not only found his spiritual home but also served devotedly as Sunday School Superintendent. His steady presence and quiet faith left a lasting impression on everyone who knew him.

Professionally, Brian worked as an engineering designer with Crafton Tull Associates, where his skill, creativity, and attention to detail were deeply respected by colleagues and clients alike.

He was preceded in death by his father, Russell Carlton, and his aunt, Bonita Hill Curtsinger.

Left to cherish his memory are his loving wife, Tammy Carley Carlton; three sons, Justin, Luke, and Evan Carlton, all of the home; his mother, Paulette Carlton of Lincoln; and his brother, Jeff Carlton of Siloam Springs, Arkansas.

Brian will be remembered for his steadfast faith, his devotion to family, and his quiet strength that inspired those around him.

The Life He Lived
By Caleb C. Calvert

Brian was a man that stayed
faithful to his family, his
friends, and most importantly,
his God.

That was the life he lived.
I, myself, knew Brian my entire
life. I always admired his calm,
kind manner. That was the life
he lived.

He was an exceptional man.
Being in his presence, you
could tell he had a special walk
with God. It's more than mere
words on a page, because
Brian lived it.

Even in the end he went
through the trials with victory.

That was the life he lived.
Now the trial is past. Brian is
on the street of gold, and I can
hear his words
more clear than ever,
"You ain't seen nothing yet!"
Good bye. Until we meet again
on the other side, my dear
Brother Brian.
