My flesh and my heart may fail,
but God is the strength of my heart

Psalms 73:26

A Parents Prayer

I'm heading out, I'm stepping through;
I'm going where the sky is blue.
His light shines on the street of gold;
I am not weary, I am not old.

I'm passing through the narrow door,
Just like our Savior passed before.
My life's work on earth is through,
Now I've better work to do.

I've no regrets, I did my best,
I've worked hard, now I can rest,
I'll breathe deeply God's fresh air,
No more burdens for me to bear.

No more sickness, no more pain,
Eternal peace and love I gain.
I'm ready now, I'm stepping through,
The door is open, I'll wait for you.
