## MOTHER LOVE

God surely knew the world would need  
A gentle loving touch,  
When He created mother love  
That warms our hearts so much.

He must have known that children  
Would need a guiding hand,  
Someone who'd always be there  
To care and understand.

God must have known our hearts would need  
A special kind of cheer  
When He endowed a mother's face  
With smiles that would endear.

Of all the gifts that God does send  
From His heavenly realm above,  
There is none that is more precious  
Than that of mothers love.
