"I'm Free"

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard Him call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work or play.
Task left undone must stay that way,
I've found that peace at the close of day.

If my parting has left a void,
Fill it now with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.

Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I've savored much,
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.

AFTERGLOW

I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles when day is done.

I'd like to leave an echo
Whispering softly down the ways.
Of happy times, and laughing times
And bright and sunny days.

I'd like the tears
of those who grieve
To dry before the sun
Of happy memories I leave
Behind - when day is done.
