A Cowboy's Prayer

Oh Lord, I've never lived where churches grow.
I love creation better as it stood.
That day You finished it so long ago.
And looked upon your work and called it good.
Just let me live my life as I've begun.
And give me work that's open to the sky;
Make me a partner of the wind and sun,
And I won't ask a life that's soft or high.
Just keep an eye on all that's done and said
Just right me, sometimes, when I turn aside,
And guide me on the long, dim trail ahead,
That stretches upward toward the Great Divide
