Roland Davis

June 30, 1923 - December 28, 2009

"I am of the opinion that my life belongs to the whole community and as long as I live, it is my privilege to do for it whatever I can. I want to be thoroughly used up when I die, for the harder I work, the more I love. I rejoice in life for its own sake. Life is no brief candle for me. It is a sort of splendid torch which I have got to hold up for the moment and I want to make it burn as brightly as possible before handing it on to future generations."
