MISS ME

When I come to the end of the road
And the sun has set for me,
I want no tears in a gloom-filled room.
Why cry for a soul set free?

Miss me a little, but not too long,
And not with your head bowed low;
Remember the love that we once shared
And miss me, but let me go!

For this is a journey we all must take
And each must go alone,
It is a part of the Master's plan,
Just a step on the road to home.

When you are lonely and sick at heart,
Just go to the friends we know;
Bury your sorrow in doing good deeds
And miss me, but let me go.
