Austin,

Wow!

Congratulations on your graduation!

As our son, we've looked forward to this milestone for you since your first day of kindergarten. As parents, in many ways it came much too quickly for us.

God has richly blessed us by giving us the privilege of watching over you through the years as you've grown into the young man you are today. As you find your own way, may it be found in His will for your life.

We love you,

Mom and Dad

PS: You'll always be momma's baby and daddy's too!!
