To Those I Love and Those Who Love Me

When I am gone, release me, let me go-
I have so many things to see and do.
You must not tie yourself to me with tears,
Be thankful for our many beautiful years.

I gave to you my love. You can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.

So grieve a while for me, if grieve you must,
Then let your grief be comforted by trust.
It's only for a time that we must part
So bless the memories within your heart.

I won't be far away, for life goes on
So if you need me, call and I will come,
Though you can't see or touch me, I'll be near
And if you listen with your heart, you'll hear
All my love around you soft and clear.

And then, when you must come this way alone,
I'll greet you with a smile, and say:
