

Nova "Penny" Sue Eichblatt passed away June 25, 2013 in Seattle WA. She was born December 30, 1944 in Natchez, Mississippi to Roy and Helen Eichblatt.

Nova studied at the University of Wyoming where she earned a degree in Music Education. She was passionate about all of the arts, especially music. Throughout her life she was involved with the arts, whether it was giving music lessons to children, running a 4-H theater group, or volunteering at her childrens' school. She was a very creative person, always helping friends and neighbors with decorating their homes, sewing Halloween costumes or costumes for a play, or helping make friends daughters prom dresses. She loved to cook and was famous for her fried chicken and chocolate chip cookies. Every time her children had friends over, (which was often) she always had a warm batch of cookies ready for them to enjoy, as requested! She enjoyed sports, traveling and animals, especially horses. Her children can attest that they had one of almost every kind of pet their home throughout their childhoods, from pet mice, snakes and tarantula to birds, horses and a donkey. She always encouraged her children to try new things, different sports, musical instruments, riding lessons, 4-H, various clubs, and was always there to help and support those interests. She had a infectious zest for life and always made every day activities fun.

Survivors include her children Misti Taylor of Chico, CA, Derrick Cedars of Bethel, AK, Jeffrey Zimmerschied of Columbia MO, two nieces, two nephews and three granddaughters.

MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mothers love.
