Saying Goodbye is the hardest part of living...99-1/2 years here on Earth is much to celebrate.

She was the Matriarch and the best Granny Dorsey a family could ask for. She loved to shop and was an ornery Hoot that kept you on your toes. If she didn't have 12 pies, 3 cakes, jello dishes, fruit salads and more at a holiday dinner then it wasn't good enough. Most importantly, Granny's fried chicken tasted so good it would melt your mouth. The Absolute Best!

She was also known as Coon and Lindy to various family and friends. She worked at the University of Arkansas dining services for 30+ years, in which she received an award of recognition for her dedication.

Granny Dorsey never drove a day in her life. She took the taxi cab and on some occasions rode the transit bus to her destinations. If one of us stopped by to see her, we'd find a note on the table that said "gone to town be back later." This would make for an all day event that she enjoyed so there'd be a phone call later that evening from her.

We are so thankful to the PG Home and Rehab staff and residents for taking care of her and loving her these last few years of her life. It means the world to families like us.

We are going to miss her so much. It makes our hearts content that she's no longer in pain or struggling. She's walking with the Angels and hugging on Lacy.

"I will be your God throughout your lifetime - until your hair is white with age," He says in Isaiah 46:4, adding, "I made you, and I will care for you. I will carry you along and save you."

MOTHER'S LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.
