My Way

And now, the end is near,
And so I face the final curtain,
My friend. I'll say it clear,
I'll state my case of which I'm certain.
I've lived a life that's full.
I've traveled each and every highway,
And more, much more than this, I did it my way.

Regrets, I've had a few,
But then again, too few to mention.
I did what I had to do,
And saw it thru without exemption.
I planned each chartered course,
Each careful step along the byway,
And more, much more than this, I did it my way.

Yes there were times, I'm sure you knew,
When I bit off more than I could chew,
But thru it all, when there was doubt,
I ate it up, and spit it out.
I faced it all, and I stood tall,
And did it my way.
