## FATHER

A father comes directly after God –  
To shelter, protect and guide.  
He has a tired smile in the evening  
With love in his heart  
And a soul filled with pride  
Any man can be a Father  
but it takes someone special  
To be a Father.

A great man is not great because of  
the  
size of his wallet. He is great because  
of the size of his heart.

A great man is not great because of  
his successes. He is great because of  
the successes of those he has  
touched and taught .

A great man is not judged by the love  
he receives for doing great things.  
He is loved by others because of all  
the great things he did.

A great man is not considered great  
because of the life he lived but  
he becomes great because he lives life  
with such passion.

Today we say goodbye  
to a great, great man.
