## Virginia Foster

April 4, 1921 - September 16, 2013

# THE PERFECT WORD

Charles L. H. Wagner

The word defining home and peace,

The word implying grace;

Symbolic of divinity,

And angel's smiling face.

The word that is a synonym

For sacrifice supreme,

For kindness and charity,

For love that can redeem.

The word for tender caring,

For hope that eases the heart,

The perfect word

That make the world

Seem heaven's counterpart:

Mother.
