## DASH

So think about this long and hard --- are

there things you'd like 2 change?

For you never knew how much time is left

(You could be @ "dash mid - range")

If we could just slow down enough 2 consider what's true & real.

And always try 2 understand the way other people feel.

And be less quick 2 anger, & show appreciation more,

And love the people in Our Lives like we've never loved b-4.

If we treat each other w/respect & more often wear a smile —

Remembering that this special dash might only last a little while.

So, when your eulogy's being read

with your life's actions 2 rehash —

Would you be proud of the things they

say about how you spend your dash??
