**Patricia Ann Gregory**

October 30, 1940

April 15, 2016

When you remember me,
it means that
you have carried something
of who I am with you,
that I have left some mark of
Who I am on who you are.

It means that
you can summon me back
to your mind
even though countless years
and miles may stand between us.

It means that
even after I die,
you can still see my face
and hear my voice and
speak to me in your heart.
