

When I'm Gone

When I come to the end of my journey
 And I travel my last weary mile
 Just forget if you can, that I ever frowned
 And remember only the smile.
 Forget unkind words I have spoken;
 Remember some good. I have done.
 Forget that I ever had heartache
 And remember I've had loads of fun.
 Forget that I've stumbled and blundered
 And sometimes fell by the way.

Remember I have fought some hard battles
 And won, ere the close of the day.
 Then forget to grieve for my going,
 I would not have you sad for a day,
 But in summer just gather some flowers
 And remember the place where I lay,
 And come in the shade of evening, when the
 sun paints the sky in the west.
 Stand for a few moments beside me
 And remember only my best.
