One Pair of Hands

sung by Elvis Presley
written by Carroll Robertson

One pair of hands formed the mountains,
One pair of hands formed the sea
And one pair of hands made the sun and the moon,
One pair of hands formed the valleys,
The oceans, the rivers, and the sand.
Those hands are so strong. So when life goes wrong,
Put your faith in the one pair of hands.

One pair of hands healed the sick,
One pair of hands raised the dead,
One pair of hands calmed the raging storm
And thousands of people would have failed.
One pair of hands said "I love you"
And those hands were nailed to a tree.
Those hands are so strong. So when life goes wrong,
Put your faith in that one pair of hands.

Those hands are so strong. So when life goes wrong,
Put your faith in that one pair of hands.
Put your faith in that one pair of hands.
