Your work on earth is done

You toiled so hard for those you loved

You said goodbye to none

Your spirit flew before we knew

Your work on earth was done

We miss you now, our hearts are sore

As time goes by we miss you more

Your loving smile, your gentle face

No one can fill your vacant place

Your life was love and labor

Your love for your family true

You did the best for all of us

We will always remember you

She Is Just Away

I cannot say, and I will not say
That she is dead, she is just away!

With a Cheery Smile and a wave of the hand
She has wandered into an unknown land.

And left us dreaming how very fair
It needs must be since she lingers there,

And you - oh you, who the wildest yearn
For the old-time step and the glad return.

Think of her fairing on, as dear
In the love of there, as the love of here,

Think of her still as the same, I say.
she is not dead - she is just away.
