Wendell Johnson  
January 25, 1940 - July 11, 2003

What price for the promise,  
For the flash of the fish  
Sliding through the dark water  
As it's bent to your wish?

What price for the calm  
Of the water's restored  
When the fish's been caught  
And you sit still once more?

What price for the rays  
In the heat of the day  
When old bones are warmed  
And Children run and play?

What price for an evening  
And the setting of sun,  
When tired bones can rest  
And the day's work is done?

What price for the night  
When all's quiet and still,  
With only the shrill call  
Of a lonesome Whip O' Will?

What price for the morn  
When sleepers again arise,  
To another day's dawning  
to yet another sunrise?
