

James Michael Mallett

Age 64, a resident of Farmington, Arkansas, passed away Sunday, July 25, 2021 in Farmington, Arkansas. He was born September 11, 1956 in Wynne, Arkansas, the son of Morse and Lula (West) Mallett.

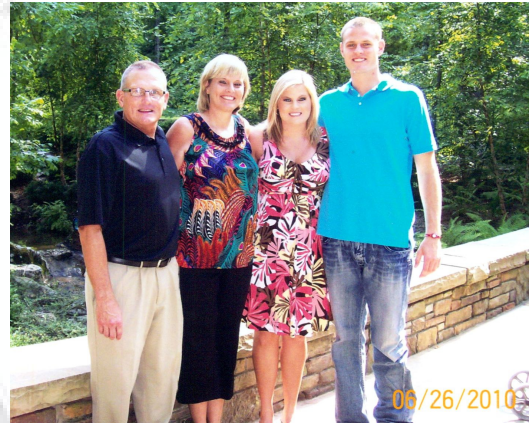

Jim Mallett was the type of coach every parent would choose their athlete to have. He was tough, but loved his athletes and encouraged them to be their best on and off the field. He taught them and his children to be leaders not followers.

Being a devoted family man, Jim was happiest when he was surrounded by his children, grandchildren, and all of his nieces and nephews.

Jim's boisterous, loud laugh was one you don't forget. His sense of humor and the many pranks he played will live on in the memories of many with whom he coached and taught.

He was preceded in death by his parents, one brother Danny Mallett, his father-in-law Malcom Burnette, and one brother-in-law David Burnette.

Survivors include his wife Debbie Mallett; one son Ryan Mallett of Mountain Home, Arkansas; one daughter Lauren Mallett-Hays and her husband Justin of Farmington, Arkansas; two brothers Trent Mallett and his wife Kay of Conway, Arkansas, and Mark Mallett and his wife Jean of Rogers, Arkansas; one sister Jeannine Jolly and her husband Ronnie of Bald Knob, Arkansas; one sister-in-law Teresa Mallett of Carlisle, Arkansas; his mother-in-law Gail Burnette of Farmington, Arkansas; three grandchildren Hadley, Harper, and Davis Hays; numerous nieces, nephews, and countless student athletes that he helped form into outstanding citizens.

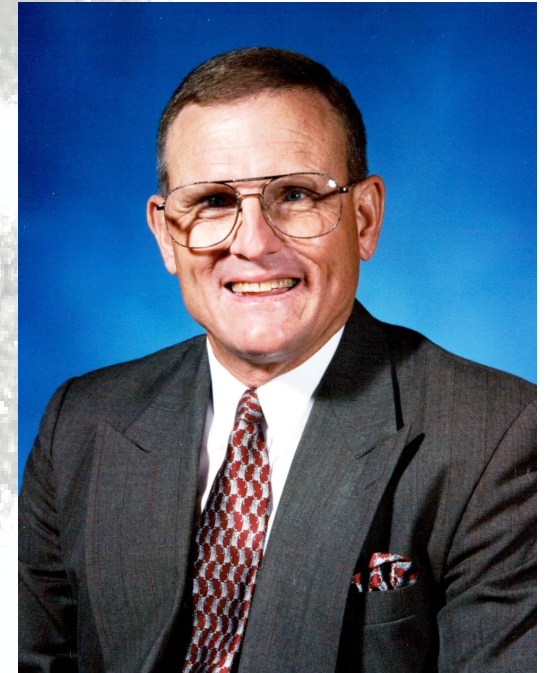

APPRECIATION

On behalf of the family, we wish to express their gratitude for your many acts of kindness, and for your attendance at the funeral service.

Blane Mallett - Kyle Mallett - Will Jolly

Very rare it is in life that someone comes along and has such an impact on you that you carry the memory of them in how you live your life. Coach had that impact on me not in just the way he coached, but the way he lived his life and the things he taught me about life. The work ethic he helped instill in me is the reason I'm at where I am today, which is living my best life. He taught me all those years ago "Son, no matter what happens you keep moving, keep digging in, work hard, be of good character always, do the little things right and big things will happen for you." He was right, and I still hear his voice every single time I pass a ball field.

Dustin Hoffman
Former student athlete
