Perhaps Today

Perhaps at cool of morning when
The day is breaking light;
Perhaps at noontide's hour, or
'Midst gathering shades of night

I'll see a burst of glory, and
The angel's voice I'll hear;
The trumpet's golden throat will sound
The summons loud and clear!

Then suddenly - I'll see the Lord!
I'll meet Him face to face...
The Lord of all the universe
The Lord of truth and grace!

My cup of bliss will overflow;
I'll see Him as He is!
What joy to place my hand within
That nail-scarred hand of His!

Perhaps today will be the day
I'll hear His welcomed voice!
Perhaps today I'll see the Lord
And evermore rejoice!
