Shadows of My Mind

I close my eyes and see you,
in the shadows of my mind,
but when my eyes are open,
it's never you I find.

In the lightness of the day,
you never show your face.
I see you in my memories,
and that's the only place.

These memories get faded,
through the time and pain.
So it makes me wonder,
is it all in vain.

Giving so much of ourselves,
to something that won't last.
Once a tender moment shared,
now a painful past.
