A Celebration of Life

Andrew A. Newbill

July 22, 1913 - January 23, 2012

"I have fought the good fight,
I have finished the race, I have kept the faith."
2 Timothy 4.7

When you remember me, it means that
you have carried something of who I am
with you, that I have left some mark of

Who I am on who you are.

It means that you can summon me back
to your mind even though countless years
and miles may stand between us.

It means that even after I die, you can
still see my face and hear my voice and
speak to me in your heart.

*One last piece of my legacy I leave with you;
a life secret taught to me by my Danish grandmother
when I was very young and the motto for my life that
I shared with everyone.*

*Remember to say "Good Morning God" every day.
It is a gift of simple words that will see you through
troubled times, a long life, good health, and easy days*

Andy
