When you feel lonely when a person you love passes away, look to the night sky on a clear day the star that to you, appears to be bright will be your loved one, looking upon you during the night, the lights of heaven are what shows through as your loved one watches all that you do, when you feel lonely for the one that you love look to the heavens in the night sky above.

Come With Me

The Lord saw you getting tired
And a cure was not to be,
So He put his arms around you
And whispered,
'Come with me'
With tearful eyes we watched you suffer
And saw you fade away.
Although we loved you dearly
We could not make you stay.
A golden heart stopped beating
Your beautiful smile at rest.
God broke our hearts to prove
He always takes the best.
It's longsome here without you
We miss you so each day.
Our lives just aren't the same
Ever since you went away.
When days are sad and lonely
And everything goes wrong
We hear you gently whisper,
'Cheer up and carry on'
Each time we see your picture,
You seem to smile and say,
'Don't cry, I'm in God's keeping,
We'll meet again someday.'"
