PLEASE REMEMBER ME

Please remember me,
When your grief seems unbearable.
And you feel you cannot go on
I will be there beside you
I will not forget you.

Please remember me,
When your life is going so well,
And you seem to be among the clouds
I will be there beside you
I will not forget you.

Please remember me,
And the good times we had,
When happiness came easily.
We will be together again
I will not forget you.

Please remember me,
I will wait for you
To join me in the heavens
We will spend forever together.
I will not forget you.

Please remember me,
No matter what it takes
No matter how hard it gets
Always remember
I will not forget you.
