How Low Can An Angel Fly
By C.J. Page

How low can an angel fly

The Bible plainly tells us
That they encamped all around
But how can an angel fly?
And can their wings touch the ground?

For there are times I feel so lost,
Wondering which way to go,
So how low can an angel fly,
And help me make it home,

They were there for Daniel,
When He was the lions prey,
They delivered him from his enemy,
And took his fear away..

They were there for my mama,
When she said her last goodbye,
They gently lifted up her soul,
And did to the heavens fly

It appeared all hope was gone,
And in the grave Christ would stay,
But with a blinding light from heaven,
They rolled his stone away..

So Lord help me remember,
That no matter what I face,
You have dispatched Angels to help me,
With strength, power and grace....

And Lord help me be patient,
And not get my eyes on things,
But listen for the sound,
Of the Angels fluttering wings...
