I am here in Baby Heaven, God took me by the hand. Wrapped me in His love, gently lead me to His Land. I will always be your baby, our hearts joined by love. Now a perfect little angel. I'm watching from above. I am a part of you, though brief the time we shared. I'm safe in loving care. Remember me with joy, lift a smile to the skies. Say a prayer for me, let there be no sad goodbyes. One day we'll meet again, a lifetime I will wait. You will know the little angel with outstretched arms at heavens gates.

APPRECIATION

Special Angel in Heaven
There's a special Angel in Heaven
That is a part of me.

It is not where I wanted her
But where God wanted her to be.
She was here but just a moment
Like a night time shooting star
And though she is in Heaven,
She isn't very far.

She touched the hearts of many
Like only Angels can.
I would've held her every minute
If I'd only known God's plan.
So I send the special message
To the Heavens up above.
Please take care of my Angel
and send her all my love.
