"At the end of the day, the only questions I will ask myself are...  
Did I love enough? Did I laugh enough? Did I make a difference?"

## My Last Goodbye

There has been many chapters of my life  
and that's why its been so great despite some strife.

Sometimes it was a long, hard road  
Lord knows I was given my fair load.

I worked and traveled many miles  
and I hope I left each of you with a lot of smiles.

Yeah, I know I had my flaws  
and broken my share of the laws.

But in the end I hope that you can say  
that I touched your life in some small way.

Please don't remember me as sick and weak  
keep me in your memories as I was at my peak.

I lived my life with few regrets  
and the love of you all made it blessed.

Remember the good times, the songs and the laughter  
because this is it - the final chapter.

I hope you know that I Love You All  
but the day I heard Jesus call.

I took Mama by the hand  
and headed to the promise land.

My life has been "One Hell Of A Ride"  
I'll see you again on the other side !!
