MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endure.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mothers love.
