## MOTHER LOVE

God surely knew the world would need

A gentle loving touch,

When He created mother love

That warms our hearts so much.

He must have known that children

Would need a guiding hand,

Someone who'd always be there

To care and understand.

God must have known our

Hearts would need

A special kind of cheer

When He endowed a mother's face

With smiles that would endear.

Of all the gifts that God does send

From His heavenly realm above,

There is none that is more precious

Than that of mother's love.

## SO GO AND RUN FREE

So go and run free with the angels

Dance around the golden clouds

For the Lord has chosen you to be with

him

And we should feel nothing but proud

Although he has taken you from us

And our pain a lifetime will last

Your memory will never escape us

But make us glad for the time we did have

Your face will always be hidden

Deep inside our hearts

Each precious moment you gave us

Shall never, ever depart

So go and run free with the angels

As they sing so tenderly

And please be sure to tell them

To take good care of you for me
